MADIHA & NIKKI KHAN

Madiha and Nikki Khan of Exquisite Events reveal the biggest wedding décor trends of 2016

We're seeing a lot of color and vibrancy in 2016, especially if there are at least two days of events, the kick off needs to be really festive and fun leading up to the rest of the events

Many couples are no longer opting for buffets and instead doing stations of food that offer the latest in the culinary world. Tapas is a huge thing along with molecular gastronomy transforming tastes of a familiar dish and giving it a twist.

Metallics, pearls, and bling are still very in ranging from linen and chairs, to even the dance floors. It just adds that touch of class and elegance to elevate your big day!
